SAM 61 PRESIDENT'S REPORT NOVEMBER 2009

Greetings members,

At our November meeting on November 18, 2009 there will be a lecture by Julie Sobanski, the Princess of Magic. Julie is quite an asset to our club and the magic community in Wisconsin. She is a great magicienne She has recently been elected the Houdini Club of Wisconsin President. She has performed at PolishFest for many years and at many other festivals in our area. She is one of the foremost authorities on women in magic. She is an expert in Dell O'Dell. Julie is also one of the founders of magicinwisconsin.com I am looking forward to hearing her lecture! For more info see her website <http://www.juliesobanski.com/>

Our October meeting's theme was spooky, Halloween magic. Jon Hughet and David Swaboda really shone with their themed magic. Tom Burgermeister did a ghostly cards across. Mike Miller performed mental miracles and told the take of Dracula and his brother Jackula. Jailhouse Jonny brought out a few spooky props, including his skulls from skeletonstore.com. New prospective member Theodore contributed quite a bit to the meeting and would make a great addition to the club.

The trophy shop which had our close-up plaque went out of business and a new one took them over. I should have the plaque with John Lewitt and Mark Martinez's names engraved at the Holiday party.

Start planning to attend our annual Holiday party Set for Wednesday, December 16, 2009. Check the December newsletter for further details.
